General Guidelines

In the event of an emergency, call 911 to activate emergency services.

Buildings must be evacuated immediately when building alarms are activated.

Diagrams indicating direction of egress located throughout the building should be followed.

Elevators must not be used in the event of a fire or when building alarms are activated.

An AED and oxygen are located on the main level at the flagpole entrance. This equipment should only be utilized by trained personnel.

Emergency situations, safety concerns or maintenance issues should be brought to the attention of the Cedar Crest BFC Maintenance Staff as appropriate without endangering yourself or others.
